Notes

Maximum validity is 24 months. if a 75 minute voucher is used to activate a SIM a 30 day voucher will automatically be added and charged accordingly.
 For 75, 200, 600 vouchers minutes will expire 3 years from the day the voucher is applied. For 3000 and 5000 vouchers minutes will expire 4 years from the day the voucher is applied.
 If a voucher is added to a service in error, it can be removed free of charge if removed within 72 hours, if removal is after 72 hours a charge of \$103 applies. Vouchers can not be removed if they have had any usage.
 When a SIM card runs out of validity, it goes to an expired state, all credit (minutes) is lost, there is a 270 day period to add a new voucher before the SIM card is deactivated.
 E = These vouchers can be used to mix and match and they extend the validity of a SIM
 R = Can only be topped up with the same voucher type and the validity is reset at the point of top up
 DR = Can not automatically be topped up the service has to be deleted and re-created and a new voucher of the same type applied.
